

## SOLAR WATER HEATER TAX CREDIT

1. An owner of real property that has a single-family dwelling, ohana dwelling, farm dwelling, duplex, or double-family dwelling unit(s) and who installs a solar water heater on the owner's property **January 1, 2008** shall be entitled to a one-time tax credit per tax map key of up to **\$1,000** against the owner's real property tax liability, except for the minimum tax from all property taxes.
2. The credit shall be claimed against real property tax liability for the tax year immediately following approval of the application for the credit. The tax credit shall entitle the owner to a credit only for the single tax year. There shall be no carryover tax credit.
